

# C-STORE FSU - ASSEMBLY INSTRUCTIONS

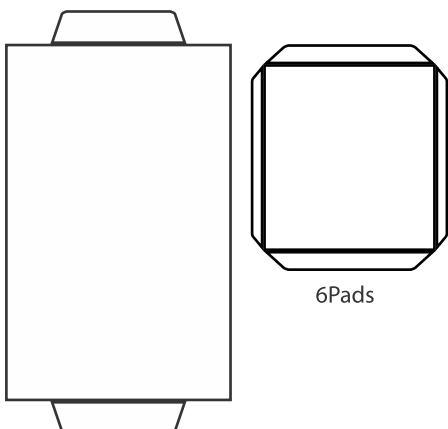

## Contents

1 x Core

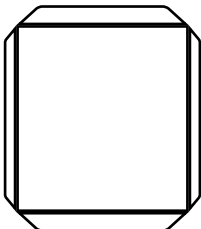

1 x Header

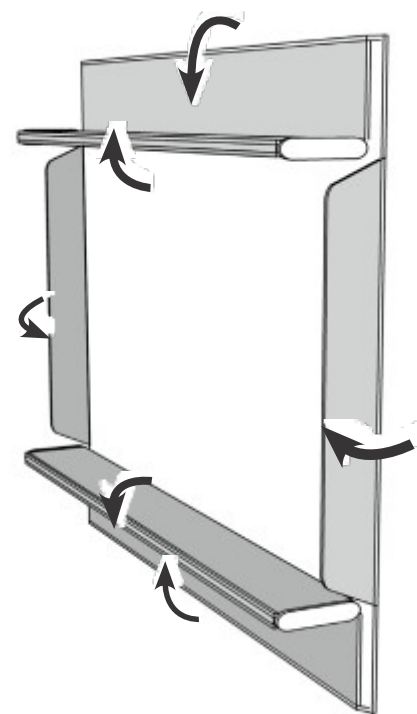

1 x Base

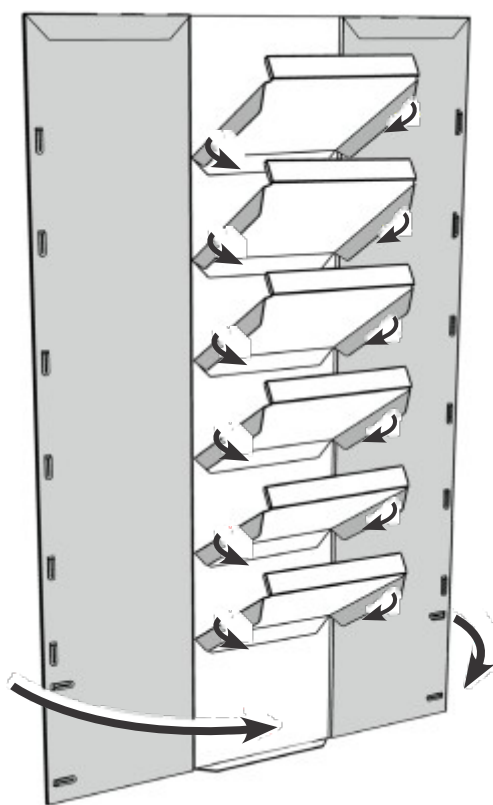

2 x Plastic Pins

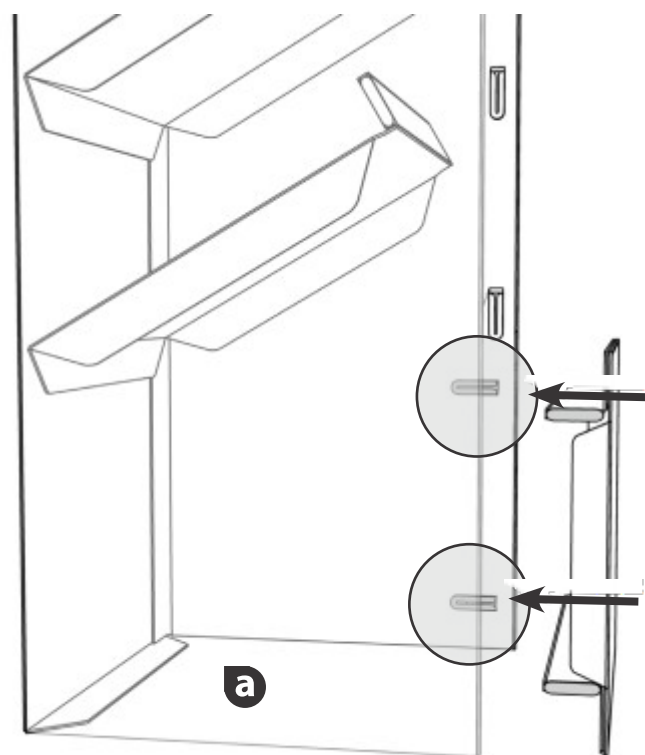

6 Pads

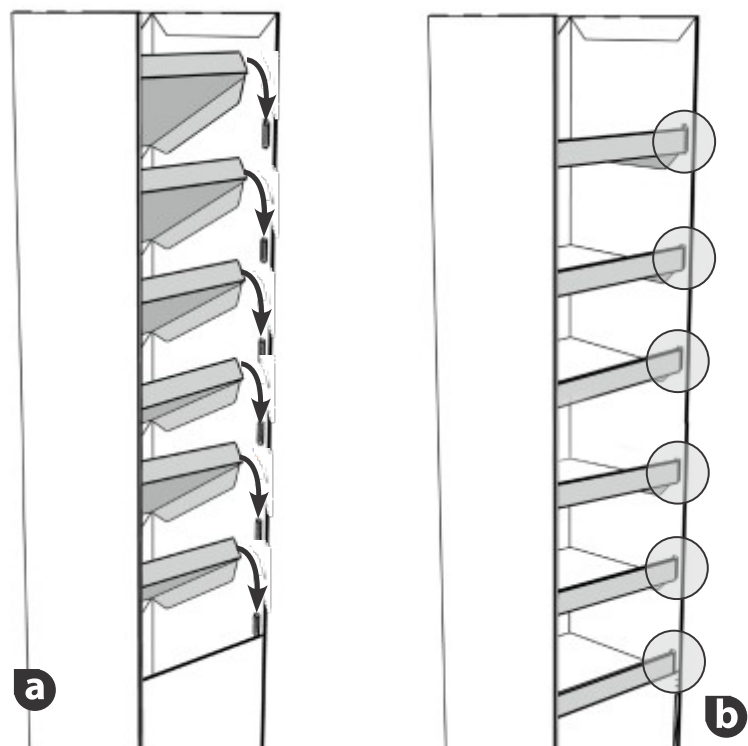

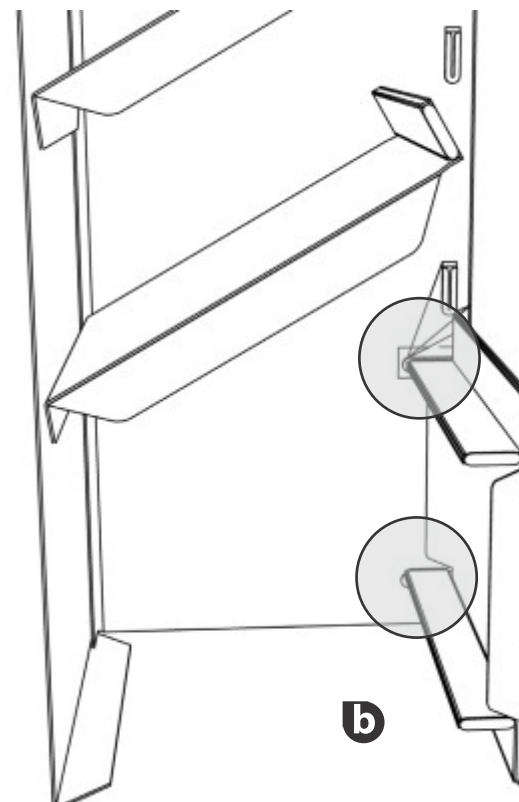

**1** Make up base panel by folding over the ends, as shown above.

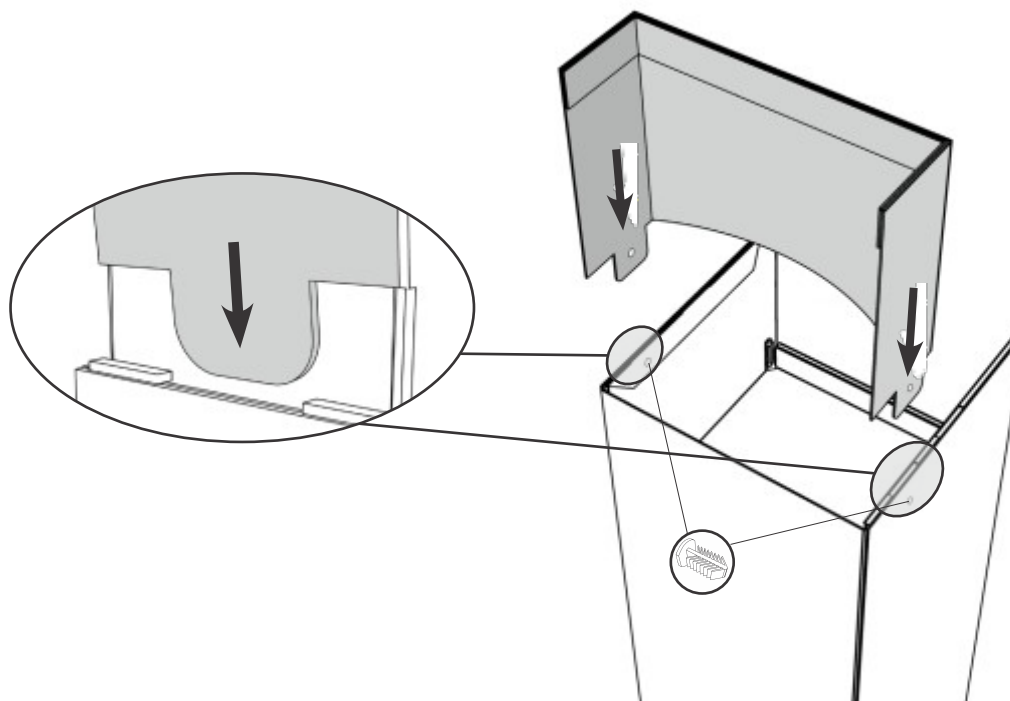

**2** Fold the sides of the shelves downwards, then close the side panels of the unit as illustrated.

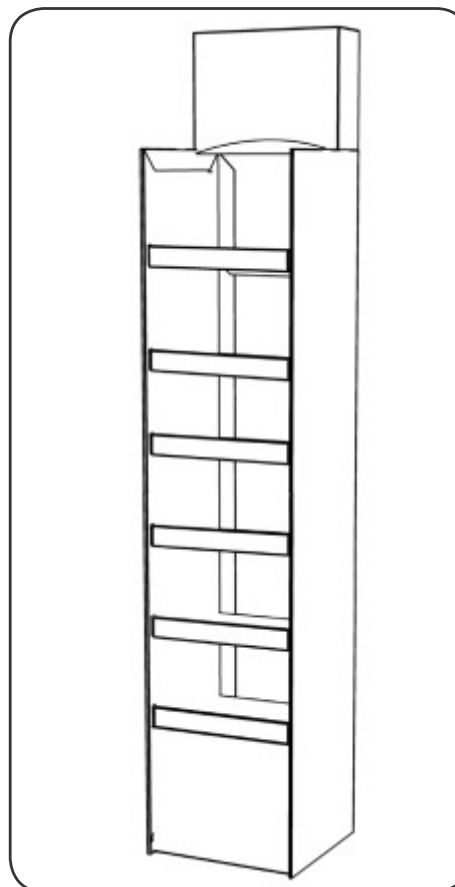

**3** a) Align the base side brackets with the side slots on the inner side panels as shown above.  
b) Firmly slot the base into place as shown to secure base to the unit.

**4** a) Lower the unit shelves as shown above ensuring the shelves side brackets slot into the inner side slots provided.  
b) Push downwards firmly to secure into place.

**5** Fold header and lower the header sides into the unit slots above and pin.

**6** Place Shelf pads into unit and the unit is now complete.
